

# Arun Sivakumar

## Validation Lead

10+ years of professional experience in Computer System Validation process.

✉ arun.sivakumar@outlook.com

☎ +91 8220 133 233

📍 Coimbatore, India

## Professional Summary

- ✓ Have played the role of **Validation Lead** and Validation tester for various life sciences clients in both Paper-based and tool-based validation process
- ✓ Having experience in performing projects in **V-Model** and **Agile** test methodologies
- ✓ Strong knowledge of **STLC** (Software Testing Life Cycle) with expertise in Requirement analysis, Test planning, Test execution and Defect management.
- ✓ Involved in creation, Review and Approval of **End-to-End Validation Deliverables** and have good knowledge in End-to-End Computer System Validation process.
- ✓ Proficient in preparation of **Validation Plan**, Validation Protocols (**OQ/PQ**), **Incident Reports**, **RTM** and **Validation Summary Report**.
- ✓ Expertise in **Defect Tracking** and communicating with the Development/Configuration Team to fix the issue and help the team members.
- ✓ Deep understanding in Good Documentation Practice (**GDP**) pertaining to Computer System Validation.
- ✓ Having knowledge on **GAMP5** guidelines, **21CFR Part 11** and **CSA guidelines**.
- ✓ Have strong knowledge in **OpenText** (Documentum system), Manufacturing Execution System (**MES**) and **TrackWise** (Quality Management system) systems.
- ✓ Good exposure to the test management tool HP Application Lifecycle Management (**ALM**). Experience on all ALM modules like Requirements, Test Lab, Test Plan and Defects.
- ✓ Having hands-on experience in **JIRA** (including dashboard and confluence report creation) and **M-Files** (documentum software).
- ✓ Involved in various Team Management activities like Status Reporting and Metrics Collection
- ✓ Have experience working with multiple life sciences clients (Abbott, AbbVie and Gilead) involving direct client interaction.
- ✓ Ability to grasp new things quickly, versatile, adaptable and a good team player.

## Work Experience

| Name of the Company            | Designation(s) | From      | To           |
|--------------------------------|----------------|-----------|--------------|
| Vaisesika Consulting Pvt Ltd   | CSV Lead       | June 2021 | Till Present |
| Cognizant Technology Solutions | Sr. Associate  | July 2018 | June 2021    |
| Capgemini Technology Services  | Consultant     | Mar 2016  | July 2018    |
| Cognizant Technology Solutions | Associate      | Jan 2011  | Mar 2016     |

## EDUCATION

BE (Electrical and Electronics Engineering) – Maharaja Engineering College, Coimbatore - 2016 to 2010
